Re: Letter of Support for Alexandra Dunn, Nominee for  
Assistant Administrator, U.S. EPA Office of Chemical Safety  
and Pollution Prevention

Dear Senator Barrasso:

By this letter, I am registering my strong support for Alexandra Dunn for the position of Assistant Administrator, Office of Chemical Safety and Pollution Prevention (OCSPP). I have known Ms. Dunn in various professional capacities for the last 25 years, and believe that she is an excellent choice for this position. She is a deeply experienced environmental leader and attorney who understands the complexity of regulatory and policy decisions, including those of the office she has been asked to lead. Ms. Dunn is respected across the environmental community — by businesses; federal, state and local officials; and non-governmental organizations. I am confident she would serve the American people with integrity, intelligence, and distinction if confirmed as Assistant Administrator of OCSPP.

Respectfully Submitted,

Scott Fulton  
President, Environmental Law Institute (ELI)  
and former General Counsel, U.S. EPA
